Mission & Vision

- **Mission:** “The Sheridan County Chamber of Commerce is the proactive voice of local business working for the promotion, protection and prosperity of our members.”
 - **Vision:** “To be the #1 resource for business in Sheridan County.”
- 

Purposes

- 1) Actively promote a healthy business and economic climate for our area.
 - 2) Create a better understanding and appreciation of the importance of local area businesses and concern for their problems.
 - 3) Represent the business community in city, county, state and national legislative and political affairs.
 - 4) Promote business and community growth and development; retention and expansion of existing businesses.
 - 5) Discover and correct circumstances which prevent the promotion of business expansion and community growth.
 - 6) Promote programs of a civic, social and cultural nature which increase the functional and aesthetic values of the community.
 - 7) Continue to promote tourism for the county and to work closely with Sheridan County, the City of Sheridan and Sheridan Travel and Tourism.
