

TAKE A RIDE ON THE SHERIDAN TROLLEY!

Today's Sheridan Trolley is a replica of the actual trolleys that ran, as Sheridan Railway Company, in the Sheridan area from 1911 to 1926. One of these original trolleys is still on display outside of our Sheridan County Museum. The current trolleys – there are two of them - are actually bus vehicles, but designed to look like the original trolley and reminiscent of the historic trolley system in our community.

Chartered Trips on the Sheridan Trolley

Privately chartered trips on the Sheridan Trolley are available year round. These are trips designed specifically for the need of the occasion. The trolley is often used for private group tours of the area, to ensure safe trips home from events, for school reunions where out-of-town attendees want to see current-day Sheridan, for surprise transportation for birthday parties (for all ages), for preschool or senior outings, and for unique Sheridan transportation for convention groups. The trolley is frequently used for weddings and wedding receptions, shuttling attendees to the receptions and then to their homes or hotels.

During the chartered time, both the vehicle and the driver are available to drive, wait, make a special side trip, or meet any other transportation need. The Sheridan Trolley can travel anywhere within Sheridan County (with some limitations on mountain driving, especially in the winter), and as far south as the Buffalo area in Johnson County.

See the fact sheet below for more information on chartering the Sheridan Trolley.

Special Appearances of the Sheridan Trolley

The Sheridan Trolley is a unique presence in the Sheridan community, as both a community asset and a part of Sheridan's historic character. It's fun to see ... and fun to ride.

The trolley is used for special appearances and to meet community needs. During Sheridan WYO Rodeo Week, the trolley is a part of the Sheridan WYO Rodeo Parade (inviting parade attendees to hop on and ride for a while in the parade) and provides shuttle transportation from a remote parking area to the fairgrounds arena on the four evenings of Rodeo performance. The trolley participates in the local parades of our outlying communities and provides parking shuttle service for many community events. The trolley, fully decorated for Christmas, also provides complimentary rides up and down Historic Main Street during the annual Christmas Stroll event, which takes place on Black Friday in November.

FACT SHEET FOR CHARTERED TRIPS

Availability: The two Sheridan Trolley vehicles are available for chartered trips year round, 24 hours a day, 7 days a week - on a first come, first served basis.

Capacity: Each trolley can hold a maximum of 30 passengers.

The passenger area inside the trolley is rows of wooden benches, one on each side, with each bench holding two people. Each side of the trolley has large windows allowing a broad view of the outside world, and the ability to open the windows in warm weather. The trolley is heated but is not air conditioned. Each trolley is handicap accessible and also has space to hold two or three passengers seated in anchored wheelchairs.

Drivers: The trolley drivers all hold CDL licenses, as required; some are also qualified for mountain driving. Most of the trolley drivers have been driving the Sheridan Trolley for a number of years, and most are also currently employed and experienced school bus drivers. All of the drivers enjoy interacting with their passengers and embrace the opportunity to showcase our community.

Activities While Riding: All of the drivers are happy to answer questions from passengers, although they are not trained or expected to be tour guides. Those chartering a trip are welcome to designate their own person to provide information from the front of the trolley during the trip. Food and drink are allowed.

Cost: The cost for a chartered trip is \$110 per hour, minimum 2 consecutive hours. (A special discounted rate of \$90 per hour is available to employees of Sheridan County Chamber member businesses.) 50% of the charter booking fee is payable at the time of booking; the remaining 50% and a refundable cleaning/damage deposit are payable 30 days prior to the trip. If the actual charter results in a longer time used, the party will be expected to pay for the additional time.

Making Reservations: The Sheridan Trolley is managed by the Sheridan County Chamber of Commerce. Reservations for a chartered trip are made with the Sheridan County Chamber, (307) 672-2485. Reservations, tentative or final, may be made any time before the desired date. Again, availability is on a first come, first served basis. The chartering party will be asked to sign a Trolley Charter Agreement, confirming the final specifications for the trip, and make payment.

Cancelling Reservations: Charter reservations must be cancelled at least 24 hours prior to the scheduled start of the trip, by contacting the Sheridan County Chamber. Any advance payment already made will be refunded according to the schedule outlined in the charter agreement.

Questions? Call the Sheridan County Chamber at (307) 672-2485 or (307) 751-3641.

We want to take you for a ride!

The Sheridan Trolley is a community service of the Sheridan County Chamber of Commerce, 1517 E. 5th Street (inside the Wyoming Information Center), P.O. Box 707, Sheridan, WY 82801, (307) 672-2485 or (307) 751-3641. The trolley vehicles are maintained by the City of Sheridan. Drivers are employees of the City of Sheridan.
