

# The Economic Outlook Tour 2013

**Featuring** (April 29-May 1)

**Scott Anderson, Ph.D.** Chief Economist  
Bank of the West, San Francisco, California

Scott analyzes international, national, and regional economic trends and provides forecasts for Bank of the West management, business lines and clients. Prior to joining Bank of the West, Anderson was a director and senior economist at Wells Fargo where he contributed to the Wells Fargo Economics' macroeconomic forecast. He was also the author of the California and Minnesota Outlook reports, and a contributor for the Weekly Economic & Financial Commentary and the Monthly Economic Outlook reports. In addition to his analysis of the U.S. economy, he has been named one of the Top 10 economic forecasters in the country by USA Today and is a member of the Federal Reserve's Survey of Professional Forecasters.

## Also speaking

### State Perspectives

**Anne Alexander, Ph.D.** Director, Department of Economics and Finance,  
University of Wyoming

From 2003-2006, she was Director of Undergraduate Studies for the Department of Economics and Finance in the College of Business, and also served as assistant dean of the College of Business. Anne is a frequent speaker at various economic forums in Wyoming.
